Consolidated Water U.S. also acquired from Donnick an option to compel Donnick to sell, and granted to Donnick an option to require Consolidated Water U.S. to purchase, Donnick’s 49% ownership interest in Aerex at a price based upon the fair market value of Aerex at the time of the exercise of the option. The options are exercisable on or after the third anniversary of Closing Date. It is not provided to give investors factual information about the Company, Consolidated Water U.S. or any other parties thereto. (b) The Buyer shall cause to be prepared in accordance with this **Section 2.04(b)** and deliver to the Seller as promptly as practicable, and in any event within 60 days after the Closing Date, a written statement (the "Closing Statement") setting forth a good faith calculation of the accurate, true and complete balance sheet for the Company as of the Closing Date (without giving effect to the transactions contemplated herein) which Closing Statement shall also indicate the Company's Net Working Capital at Closing (the "Closing Date Net Working Capital") based on such balance sheet and prepared in accordance with GAAP. The Neutral Accountants firm shall only review the disputed item(s) specified in the Notice of Objection and may not assign a value greater than the greatest value claimed for such item by either party or smaller than the smallest value claimed by either party. The Neutral Accountants shall as promptly as practicable deliver to the Seller and the Buyer a statement in writing setting forth its determination as to the proper treatment of the items as to which there was disagreement, and such determination will constitute an arbitral award and shall be final and binding upon the parties hereto without any further right of appeal upon which a judgment may be entered by a court of law. It is the intention of the foregoing, among other things, that the Neutral Accountants shall act as an expert and not as an arbitrator and the scope of the review by the Neutral Accountants of any dispute between the Buyer and the Seller will be limited solely to the objections of the Seller set forth in the Notice of Objection sent by the Seller as provided in this **Section 2.04(b)**. The fees, expenses and charges of said accounting firm in making such determination shall be borne 50% by the Seller, on the one hand, and 50% by the Buyer on the other hand. The Closing Date Purchase Price as so adjusted under this **Section 2.04** is referred to herein as the "Final Purchase Price". The Net Working Capital as of the Closing Date immediately prior to the Closing, as finally determined pursuant to this **Section 2.04(b)**, is referred to herein, respectively, as the "Final Net Working Capital." Further, for purposes of this **Section 2.04**, the following terms shall have the following meanings: (i) "Final Net Working Capital Surplus" means the amount by which the Final Net Working Capital Payment exceeds the Estimated Net Working Capital Payment, and (ii) "Final Net Working Capital Deficit" means the amount by which the Estimated Net Working Capital Payment exceeds the Final Net Working Capital Payment.

(c) The Final Purchase Price shall be determined and paid as follows:

(i) The Closing Date Purchase Price shall be reduced or increased by either (i) adding thereto the Final Net Working Capital Surplus (the "Purchase Price Surplus"), or (y) subtracting therefrom the Final Net Working Capital Deficit (the "Purchase Price Deficit").

(ii) In the event of a Purchase Price Surplus, the Buyer shall pay to the Seller in immediately available funds an amount equal to the Final Net Working Capital Surplus.

(iii) In the event of a Purchase Price Deficit, then the Seller shall pay to the Buyer in immediately available funds an amount equal to the Final Net Working Capital Deficit.

(d) Any adjustments to the Purchase Price in accordance with this **Section 2.04** shall be paid to the appropriate party within 5 Business Days after the determination of the Final Purchase Price.

(e) All payments pursuant to this **Section 2.04** shall (x) be treated by all parties for tax purposes as adjustments to the Final Purchase Price and (y) be made by wire transfer of immediately available funds to the account(s) designated by the Seller or Buyer, as the case may be.

(f) The Buyer acknowledges and agrees that the Company shall declare and pay a distribution to Seller immediately prior to the Closing of approximately all the Company's cash.

ARTICLE III PUT AND CALL OPTION

Section 3.01 Put and Call Option.

(a) Grant of Right. Subject to the terms and conditions of this Agreement, on or after the third anniversary of the Closing Date, (i) the Seller shall have the right (the "Put Right") to cause the Buyer to purchase from the Seller, and (ii) the Buyer shall have the right (the "Call Right") to cause the Seller to sell to the Buyer, all of the remaining shares capital stock of the Company held by the Seller (collectively, the "Option Shares") at such time at the Exercise Price (as defined in **Section 3.01(f)(i)** hereof).

(b) Procedures.

(i) If the Seller desires to exercise the Put Right or the Buyer desires to exercise the Call Right (such party exercises the right, the "Exercising Party"), the Exercising Party shall deliver to the other party (the "Responding Party") a written notice (the "Exercise Notice") exercising the Put Right or the Call Right, as applicable.

(ii) The Seller shall, at the closing of any purchase consummated pursuant to this Section 3.01, represent and warrant to the Buyer that (A) the Seller has full right, title and interest in and to the Option Shares, (B) the Seller has all the necessary power and authority and has taken all necessary action to sell such Option Shares as contemplated by this Section 3.01, and (C) the Option Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement.

(iii) Subject to Section 3.01(c) below, the closing of any sale of Option Shares pursuant to this Section 3.01 shall take place no later than 120 Business Days following receipt by the Responding Party of the Exercise Notice, or such other time period as may be agreed to in writing by the parties hereto. The Responding Party shall give the Exercising Party at least 10 Business Days' written notice of the date of closing (the "Option Closing Date").

(c) Consummation of Sale. The Buyer shall pay the Exercise Price for the Option Shares by wire transfer of immediately available funds to the account specified in writing by the Seller on the Option Closing Date.

(d) Cooperation. The Buyer and the Seller each shall take all actions as may be reasonably necessary to consummate the sale contemplated by this Section 3.01, including, without limitation, entering into agreements and delivering certificates and instruments and consents as may be deemed necessary or appropriate.

(e) Closing. At the closing of the sale and purchase pursuant to this Section 3.01, the Seller shall deliver to the Buyer a certificate or certificates representing the Option Shares, accompanied by stock powers and all necessary stock transfer taxes paid and stamps affixed, if necessary, against receipt of the Exercise Price.

(f) Exercise Price.

(i) The purchase price per share at which the Company shall be required to purchase the Option Shares (the "Exercise Price") shall be equal to the Fair Market Value of the Option Shares as of the date of the Exercise Notice.

(ii) For purposes of this Agreement, the term "Fair Market Value" shall mean the fair market value of the Option Shares as of the date of the Exercise Notice, determined on an enterprise value basis without the application of any discounts, including discounts for lack of marketability or minority interest. The Fair Market Value shall be determined by a reputable independent valuation firm with experience in determining the value of companies similar to the Company (a "Qualified Valuation Firm") jointly selected by the Buyer and the Seller. In the event the Buyer and the Seller are unable to agree on the selection of a Qualified Valuation Firm, then the Buyer shall select one Qualified Valuation Firm (the "Buyer QVF"), the Seller shall select one Qualified Valuation Firm (the "Seller QVF"), and the Qualified Valuation Firms so selected shall select a third (the "Independent QVF"). Each such Qualified Valuation Firm shall determine the Fair Market Value of the Option Shares. If the value determined by either the Buyer QVF or by the Seller QVF is not less than 80% or not more than 120% of the value determined by the Independent QVF, then the average of the Independent QVF value, the Buyer QVF value and the Seller QVF value shall constitute the final Fair Market Value. If the value determined by either the Buyer QVF or by the Seller QVF is less than 80% or more than 120% of the value determined by the Independent QVF (each, a "Widely Varying Value"), then such Widely Varying Value of the Buyer QVF and/or Seller QVF shall be disregarded, and the average of the Independent QVF value and any non-Widely Varying Value shall constitute the final Fair Market Value. The costs of the Buyer QVF shall be borne by the Buyer; the costs of the Seller QVF shall be borne by the Seller; and the costs of the Independent QVF (or the mutually agreed upon Qualified Valuation Firm, if applicable) shall be shared equally by the Buyer and the Seller.

As of the Closing and at all times after the Closing, the Seller hereby agrees to retain in confidence, and not use for his benefit or the benefit of others, all confidential and proprietary information of the Company, including without limitation, (a) customer and supplier information, including lists of names and addresses of customers of the Company, (b) business plans and strategies, compensation plans, compensation information, sales plans and strategies, pricing and other terms applicable to transactions between existing and prospective customers, suppliers or business associates, (c) market research and databases, sources of leads and methods of obtaining new business, and methods of purchasing, marketing, selling, performing and pricing products and services employed by the Company, (d) information concerning the configuration and architecture, technical data, networks, methods, practices, standards and capacities of the Company's information systems, software and other intellectual property, (e) information identified as confidential or proprietary in internal documents of the Company, and (f) all information that is or would be a trade secret or other proprietary intellectual property of the Company (the "Confidential Information"), and hereby agrees to not disclose such Confidential Information to anyone other than the other parties hereto, except with the express written consent of Buyer, except as required by applicable law or except in connection with disputes over the terms of, or to enforce such party's rights with respect to the Company or rights under, this Agreement, or any Other Transaction Document; provided, however, that the Seller may disclose relevant Confidential Information to such party's attorney, accountant or other representative, so long as such party advises that such information shall be kept confidential, such party hereby agreeing to be responsible for any breach of this covenant by such attorney, accountant or other representative; and provided further that the term "Confidential Information" shall not include any information which (a) becomes publicly known through no wrongful act of any party as a result of being readily ascertainable from public or published information, or trade sources or (b) is received from a third party not under an obligation to keep such information confidential. The Seller acknowledges that the success of the Company after the Closing Date depends upon the continued preservation of the confidentiality of certain information possessed by the Seller, that the preservation of the confidentiality of such information by the Seller is an essential premise of the bargain between the parties, and that Buyer would be unwilling to enter into this Agreement in the absence of this **Section 7.02**.

Section 7.03 Non-Competition; Non-Solicitation; Standstill.

(a) In furtherance of the sale of the Company to the Buyer hereunder by virtue of the transactions contemplated hereby and to more effectively protect the value of the business so sold, the Seller covenants and agrees that beginning on the Closing until five (5) years from and after the Closing Date (such period, the “Restricted Period”), Seller shall not, (A) directly or indirectly, as an owner, principal, partner, member, shareholder, independent contractor, employee, consultant, joint venturer, investor, licensor, lender or in any other capacity, alone, or in association with any other person, engage anywhere in the world (the “Territory”) in any activity competitive with the Business as conducted on January 1, 2016 (“Competitive Activity”), (B) be employed by or serve as an employee, agent, lender, investor, holder of equity or debt securities, representative, officer, director of, or as an advisor or consultant to, any Person which engages, plans to engage or is considering engaging in any Competitive Activity within the Territory, or (C) utilize his special knowledge of the Business and his relationships with customers, suppliers and others, or assist any other Person, to compete with, prevent the Company from obtaining, or divert business away from the Company in any facet of the Business as conducted on January 1, 2016. The covenants in this **Section 7.03(a)** shall not (i) be breached as a result of the beneficial ownership by the Seller of (A) less than one percent (1%) of any class of publicly traded equity or debt securities of a Person engaged in any Competitive Activity, provided that the Seller does not control such Person, or (B) any passive investment in any Person who, after the date of acquisition of such interest, commences any Competitive Activity, provided that neither Seller nor any of his Affiliates or family (including spouses, children, spouses of children and grandchildren), individually or collectively beneficially own more than five percent (5%) of such Person and no designee of the Seller serves as a director or officer, or in any similar capacity, of such Person, or (ii) be breached by virtue of the Seller’s employment with the Company or any subsidiary of the Company or continued ownership of equity in the Company.

(b) Without the prior consent of Buyer and other than on behalf of the Company or any subsidiary of the Company, the Seller agrees that he shall not, for a period of five (5) years from the Closing Date, directly or indirectly, for himself or for any other Person, (i) call on or solicit any of the employees of the Company or its Affiliates (or any Person who had been such an employee in the preceding six (6) months) for purposes of entering into employment, consulting or other business arrangements with such Persons, (ii) call on or solicit any of the actual or targeted prospective customers or clients of the Company for the purposes of engaging in any Competitive Activity, nor shall the Seller make known the names and addresses of such customers or clients or any information relating in any manner to the Seller’s trade or business relationships with such customers or clients as they directly pertain to the Business, (iii) hire any Person who was employed or engaged as a consultant by the Company in the preceding six (6) months prior to the Closing Date. Section 7.03 (b) (iii) shall not restrict Seller during the Restricted Period from engaging professionals that have provided accounting, tax or legal advice to the Company.

(c) The restrictive covenants set forth in this **Section 7.03** (the “Restrictive Covenants”) have been separately bargained for to protect the business, including goodwill, being retained by the Company and to ensure that the Company shall continue to have the full benefit of the value thereof. The Seller recognizes and acknowledges that the business and markets of the Company are international in scope, and that the Buyer is investing substantial sums in purchasing the Purchased Shares and in consideration for the Restrictive Covenants, that such covenants and the territory, time limitation and scope of restrictions set forth in this **Section 7.03** are necessary in order to protect and maintain the legitimate business interests of the Company and are reasonable in all respects, and that the Buyer would not consummate the transactions contemplated hereby but for such agreements. The Seller agrees that any reduction to the territory, time limitation or scope of restrictions set forth herein would seriously undermine the efficacy of this **Section 7.03** and the protections that it is intended to provide. The Seller acknowledges and agrees that the covenants contained in this **Section 7.03** are essential elements of this Agreement and that, but for these covenants Buyer would not have agreed to purchase the Company. The Seller further expressly agrees and acknowledges that (a) the confidentiality, non-solicitation and non-competition covenants contained in this **Section 7.03** (i) are supported by adequate consideration as a result of the benefit received by the Seller through the sale of the Purchased Shares, (ii) are necessary for the protection of the Buyer’s legitimate business interests, including the Company’s trade secrets, goodwill and relationships with customers and suppliers and (iii) are not unduly restrictive of any rights of the Seller, and (b) in entering into and negotiating this Agreement and the terms hereof, there has been no disparity in bargaining power between the parties and the Seller has been represented by counsel and fully understands the terms hereof. Each Party acknowledges and agrees that no portion of the Closing Date Purchase Price or the Final Purchase Price shall be allocated for tax purposes as consideration for the covenants set forth in this **Section 7.03**. Notwithstanding the foregoing, if any covenant set forth in this **Section 7.03** is breached by the Seller, such allocation shall not be deemed to be a measure of the damages that would result from such a breach, and none of them shall argue or in any way assert in any proceeding that such consideration is a measure of the damages resulting from such breach.

(d) If the Seller breaches, or threatens to commit a breach of, any of the provisions of this **Section 7.03**, the Buyer shall have, in addition to, and not in lieu of, any other rights and remedies available to it under law or in equity, the right to have the Restrictive Covenants specifically enforced by any court of competent jurisdiction, without having to prove actual damages or post a bond, it being agreed that any breach or threatened breach of the Restrictive Covenants would cause irreparable injury to the Company and that money damages would not provide an adequate remedy.

(e) In addition to the remedies the Company may seek and obtain pursuant to **Section 7.03(d)** hereof, the Restricted Period for the Seller shall be extended by any and all periods during which the Seller shall be found by a final non-appealable judgment of a court possessing personal jurisdiction over him to have been in violation of the Restrictive Covenants.

(f) Whenever possible, each provision of this **Section 7.03** shall be interpreted in such manner as to be effective and valid under applicable law but if any provision of this **Section 7.03** shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this **Section 7.03**. If any provision of this **Section 7.03** shall, for any reason, be judged by any court of competent jurisdiction to be invalid or unenforceable, such judgment shall not affect, impair or invalidate the remainder of this **Section 7.03** but shall be confined in its operation to the provision of this **Section 7.03** directly involved in the controversy in which such judgment shall have been rendered. In the event that the provisions of this **Section 7.03** should ever be deemed to exceed the time or geographic limitations permitted by applicable law, then such provision shall be reformed to the maximum time or geographic limitations permitted by applicable Law.

Section 7.04 **Tax Matters.**

(a) The Seller, at the Seller's expense, shall prepare or cause to be prepared, and file or cause to be filed, all Tax Returns for the Company for all taxable periods ending on or before the Closing Date (including any Tax Return relating to any "S corporation" short taxable year of the Company). All such Tax Returns shall be prepared in a manner consistent with prior practice unless otherwise required under applicable Law. At least 30 Business Days prior to the due date for any such Tax Returns, the Seller shall deliver such Tax Returns to the Buyer for its review, comment and approval, which approval shall not be unreasonably withheld. To the extent permitted by applicable Law, the Seller shall include any income, gain, loss, deduction or other tax items for such periods on his Tax Returns in a manner consistent with the Schedule K-1s furnished by the Company to the Seller for such periods. The Seller shall be responsible for and shall pay any and all Taxes (i) shown on such Tax Returns or (ii) assessed against or imposed on the Company with respect to all taxable periods ending on or prior to the Closing Date and any and all Taxes of the Company for the period allocated to the Seller pursuant to **Section 7.04(b)** during the three-year plus 90 day period immediately following the filing date for the Federal income tax return of the Company for year 2015; provided, however, that, (1) such responsibility and commitment to pay shall be net of any refunds or credits to the benefit of Company with respect to any taxable year or period (or portion thereof) that ends on or before the Closing Date or with respect to the pre-Closing period of any Straddle Period, and (2) Seller shall not be liable for or pay any Taxes to the extent such Taxes are paid by the Company on or prior to the Closing Date or are reflected as a liability or reserve for Taxes in the Net Working Capital. Any payment required by the Seller pursuant to this **Section 7.04(a)** shall be paid to the Company not later than five (5) days before the due date for payment of Taxes with respect to such Tax Return, assessment or imposition.

(b) The Seller and the Buyer will, unless prohibited by applicable Law, close the taxable period of the Company as of the close of business on the Closing Date and shall execute and deliver an election to close the books of the Company upon S corporation termination pursuant to Section 1362(e)(3), in connection therewith. If applicable Law does not permit the Company to close its taxable year on the Closing Date or in any case in which a Tax is assessed with respect to a taxable period which includes the Closing Date (but does not begin or end on that day) (a "Straddle Period"), the Taxes, if any, attributable to a Straddle Period shall be allocated (i) to the Seller for the period up to and including the Closing Date, and (ii) to the Buyer for the period subsequent to the Closing Date. Any allocation of income or deductions required to determine any Taxes attributable to a Straddle Period shall be made by means of a closing of the books and records of the Company as of the close of business on the Closing Date, provided that exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions) and any real property, personal property and other Taxes not imposed on the basis of income or receipts shall be allocated between the period ending on the Closing Date and the period after the Closing Date in proportion to the number of days in each such period.

(c) The Buyer, the Company and the Seller shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax Returns and any Tax Proceeding. Such cooperation shall include the retention and (upon the other party's request) the provision of records and information which are reasonably relevant to any such Tax Proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Buyer, the Company and the Seller agree to retain all books and records with respect to Tax matters pertinent to the Company relating to any taxable period beginning before the Closing Date until the expiration of the statute of limitations of the respective taxable periods, and to abide by all record retention agreements entered into with any Governmental Body.

(d) In the case of any inquiry, audit, claim for refund, or administrative or judicial proceeding involving any asserted or threatened Tax liability or refund with respect to the Company (any such audit, claim for refund, or proceeding relating to an asserted Tax liability referred to herein as a “Contest”) initiated after the Closing Date that relates to Taxes for which the Seller is responsible under **Sections 7.04 or 8.02**, the Seller shall have the right to control the conduct of such Contest at its own expense, but the Buyer shall have the right to participate in such Contest at his own expense, and the Seller shall (i) keep Buyer fully informed regarding the status of such Contest, (ii) consult with the Buyer with respect to any issues raised in such Contest which could adversely affect the Company or its Affiliates or which could impact Tax periods (or portions thereof) after the Closing and (iii) not be able to settle, compromise and/or concede any portion of such Contest that may affect the Tax liability of the Company for any taxable year (or portion thereof) beginning after the Closing Date without the consent of the Buyer, which consent shall not be unreasonably withheld or delayed; provided, that, that if the Seller fails to assume control of the conduct of any such Contest within a reasonable period following the receipt by the Seller of notice of such Contest, the Buyer shall have the right to assume control of such Contest and shall be able to settle, compromise and/or concede such Contest in its sole discretion in good faith. In the event any party receives any notice from a Governmental Body regarding a Contest, such party shall promptly provide the other party with a copy of such notice and all related communications. A party’s failure to give prompt notice shall not constitute a defense (in whole or in part) to any Indemnity Claim by the Indemnified Party against the Indemnifying Party, except and only to the extent that such failure shall have caused or increased such liability or adversely affected the ability of the Indemnifying Party to defend against or reduce its liability.

Section 7.05 **Employee Transition Matters**. The Buyer agrees to, or will cause the Company to, continue to employ after Closing, all of the employees of the Company employed immediately prior to the Closing Date (such employees are collectively referred to as “Transitioned Employees”). Subject to the Employment Agreement in the case of the Seller, each such Transitioned Employee shall be employed after the Closing at the same salary levels and vacation time-off received by the Transitioned Employee immediately prior to the Closing Date. Each Transitioned Employee shall be eligible to participate in all of the employee benefit plans provided to similarly situated employees of the Buyer or Buyer’s direct or indirect subsidiaries in accordance with the terms and conditions of such plans. Notwithstanding the above in this **Section 7.05**, but subject, however, to the Employment Agreement with the Seller, nothing in this Agreement limits the rights of the Company to terminate the employment of any Transitioned Employee at any time after Closing or to eliminate or change the conditions of employment of a Transitioned Employee at any time after the one-year anniversary of the Closing Date, including the amendment or termination of any benefit plans, for any reason that the Company may, in its sole discretion, unilaterally determine and implement. Subject to the terms of the Employment Agreement with Seller, nothing in this **Section 7.05** creates or is intended to create any rights in third parties or third party beneficiaries, including, without limitation, any rights to be employed or respecting the terms, conditions and duration of employment.

Section 7.06 **Independent Investigation.** Buyer has completed its independent investigation of the Company and has informed the Seller in writing of all items that Buyer has identified which may conflict with or are not in compliance with the representations and warranties of the Seller and the Company in this Agreement. Buyer confirms that the Seller has made available to Buyer and its representatives the opportunity to ask questions of the officers and management employees of the Company and to acquire such additional information about the business and financial condition of the Company as Buyer has requested, and all such information has been received.

ARTICLE VIII INDEMNIFICATION

Section 8.01 **Survival.** All representations, warranties and covenants or other agreements made by the parties herein (and in any closing certificate delivered pursuant hereto) shall survive the Closing and continue in full force and effect until the date that is 24 months from the Closing Date, except (i) for the representations and warranties set forth in **Sections 4.01(a)** (Valid Corporate Existence and Authorization), **4.04** (Capitalization), **Section 4.08** (Tax Matters), **4.17** (Broker Fees), **Section 5.01** (Authority), **5.03** (Purchased Shares), **5.06** (Brokers or Finders), **Section 6.01** (Organization and Standing), **Section 6.02** (Authorization and Binding Obligations), **6.03** (No Contravention) and **6.05** (Brokers or Finders) (the "Fundamental Representations"), which shall survive until the latter of (a) the expiration of the applicable statutes of limitations and (b) 24 months from the Closing Date, and (ii) as to any matters with respect to which a bona fide written claim shall have been made or action at law or in equity shall have been commenced before such date, in which event survival shall continue (but only with respect to, and to the extent of, such claim). Any claims or matters made or brought with respect to such representations, warranties and covenants and other agreements (including any closing certificate delivered pursuant hereto) after the expiration of such provision as set forth above in this **Section 8.01** shall be deemed barred under this **ARTICLE VIII**.

Section 8.02 **Indemnification by the Seller.** Subject to the other terms of this **ARTICLE VIII**, after Closing,

(a) the Seller hereby agrees to indemnify and hold harmless the Buyer (hereinafter the "Buyer Indemnified Person") from and against any and all losses, costs, damages, penalties, fines, liabilities and expenses (including without limitation all reasonable legal or other professional fees and expenses) arising from claims, demands, causes of action, injunctions, judgments, orders or rulings (collectively, "Damages") incurred or sustained by the Buyer Indemnified Person as a result of (i) any breach of any representation or warranty by the Company contained in **ARTICLE IV** herein or in any closing certificate delivered by the Company regarding **ARTICLE IV**, or (ii) any breach by the Seller of **Section 7.04**; and

(b) the Seller hereby agrees to indemnify and hold harmless the Buyer Indemnified Person from and against any and all Damages incurred or sustained by Buyer Indemnified Person as a result of (i) any breach by the Seller of any representation or warranty contained in **ARTICLE V** herein or in any closing certificate delivered by the Seller regarding **ARTICLE V**, or (ii) any breach by the Seller of an Other Transaction Document to which the Seller is a party, or (iii) any breach by the Seller of a covenant or agreement of the Seller under this Agreement (other than **Section 7.04** hereof).

Section 8.03 Indemnification by the Buyer. After Closing, the Buyer hereby agrees to indemnify and hold harmless the Seller from and against any and all Damages incurred or sustained by the Seller as a result of:

- (a) any breach of any representation or warranty by the Buyer contained herein, in any Other Transaction Document to which the Buyer is a party or in any certificate delivered by the Buyer hereunder or thereunder; or
- (b) a breach by the Buyer of any covenant or other agreement contained herein or in any Other Transaction Document to which or the Buyer is a party.

Section 8.04 Limitations on Indemnification.

- (a) The obligations of the Seller pursuant to the provisions of **Section 8.02** are subject to the following additional limitations:
 - (i) The Seller shall not be liable to the Buyer Indemnified Person under **Section 8.02(a)(i)** until, and only to the extent, Damages incurred or sustained by the Buyer Indemnified Person regarding the matters covered by such **Section 8.02(a)(i)** exceed an amount equal to one percent (1%) of the Final Purchase Price in the aggregate (the “Deductible”), provided that the Deductible shall not apply to Fundamental Representations or for any claims arising from Fraud;
 - (ii) the aggregate liability of the Seller under **Sections 8.02(a)** and **8.02(b)(i)**; and
 - (iii) shall be limited to an aggregate amount equal to twenty-five percent (25%) of the Final Purchase Price (the “Cap”), except that the Cap shall not apply to limit the extent of Damages caused by a Company or Seller breach of Fundamental Representations or for any claims arising from Fraud.
- (b) From and after the Closing, the Seller shall not have, and hereby releases, any right of contribution, indemnification or other recourse against the Company under applicable law, the Organizational Documents of the Company or any other agreement with respect to any valid claim for indemnification hereunder by the Buyer Indemnified Person where the matter at issue is Seller’s liability under this **ARTICLE VIII**.

Section 8.05 Procedure for Indemnification. The procedure to be followed in connection with any claim for indemnification by Buyer Indemnified Person under **Section 8.02** or by the Seller under **Section 8.03** (an “Indemnity Claim”) is set forth below:

- (a) A Person that may be entitled to indemnification pursuant to **Section 8.02 or Section 8.03** (the “Indemnified Party”) shall promptly give written notice (a “Notice of Claim”) to the party liable for such indemnification (the “Indemnifying Party”). A Notice of Claim shall set forth (A) a description, in reasonable detail, of the facts and circumstances with respect to the subject matter of such Indemnity Claim or potential Indemnity Claim, and (B) the anticipated total amount of the Indemnity Claim (including any costs or expenses which have been or may be reasonably incurred in connection therewith). The Indemnified Party’s failure to give prompt notice shall not constitute a defense (in whole or in part) to any Indemnity Claim by the Indemnified Party against the Indemnifying Party, except and only to the extent that such failure shall have caused or increased such liability or adversely affected the ability of the Indemnifying Party to defend against or reduce its liability.

(b) If the Indemnifying Party shall reject any Damages as to which a Notice of Claim is sent by the Indemnified Party, the Indemnifying Party shall give written notice of such rejection to the Indemnified Party within thirty (30) days after the date of receipt of the Notice of Claim. If no rejection is provided by the Indemnifying Party within such thirty (30) day period, the Indemnifying Party shall pay to the Indemnified Party within thirty (30) days the Damages set forth in such Notice of Claim.

(c) If any Indemnified Party receives notice of the assertion or commencement of any action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a representative of the foregoing (a "Third Party Claim") against the Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice, but in any event not later than thirty (30) days after receipt of the notice of the Third Party Claim. The failure to give prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, unless the Indemnifying Party was prejudiced thereby, and then only to the extent of such prejudice. The notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall forthwith have the option to assume the Good Faith Defense (as defined below) of such Third Party Claim at its own expense, provided, that the Indemnified Party may retain its own counsel at the Indemnified Party's expense. The Indemnified Party may elect at any time to assume the defense of the Third Party Claim upon written notice to the Indemnifying Party, which assumption shall be at the expense of the Indemnified Party unless the Indemnifying Party has not assumed the Good Faith Defense, and the Indemnified Party may settle or compromise such defense with the consent of the Indemnifying Party which consent shall not be unreasonably withheld or delayed. By virtue of the Indemnifying Party's assumption of the Good Faith Defense of a Third Party Claim, the parties shall be deemed to have agreed as follows: (x) all claims made pursuant to such Third Party Claim are completely within the scope of and subject to indemnification and will be the sole and exclusive liability and responsibility of the Indemnifying Party subject to the limits and terms of this **ARTICLE VIII**; (y) no compromise or settlement of such claims or action may be effected by the Indemnifying Party without the Indemnified Party's consent which consent shall not be unreasonably withheld or delayed; and (z) the Indemnified Party will have no liability or adverse consequence with respect to any compromise or settlement of such claims or action effected without the Indemnified Party's consent which consent shall not be unreasonably withheld or delayed. For purposes hereof, "Good Faith Defense" means legal defense conducted by reputable counsel of good standing, which consent shall not be unreasonably withheld or delayed. If a Good Faith Defense is not commenced within thirty business days following receipt of notice of the Third Party Claim from the Indemnified Party (or such shorter period, if any, during which a defense must be commenced in order for the defendant to preserve its rights), the Indemnifying Party shall be deemed to have waived its option to assume the Good Faith Defense with respect thereto. The parties shall provide such cooperation and such access to their books, records and properties as any party shall reasonably request with respect to such matter; and the parties hereto agree to cooperate with each other in all reasonable respects in order to help ensure the proper and adequate defense thereof and in furtherance of seeking a mutually acceptable solution. With regard to Third Party Claims for which indemnification is due and owing hereunder, such indemnification shall be paid by the Indemnifying Party upon the earliest to occur of: (a) the entry of a judgment of a court of competent jurisdiction against the Indemnified Party and the expiration of any applicable appeal period; (b) the entry of a nonappealable judgment of a court of competent jurisdiction against the Indemnified Party; or (c) a settlement of the Third Party Claim with the mutual written consent of Buyer and the Seller.

(d) Notwithstanding anything contained herein to the contrary, for purposes of determining the amount of any Damages that are the subject matter of an indemnification obligation under this **ARTICLE VIII** (but not for purposes of determining whether a qualifying breach shall have occurred under **Sections 8.02** or **8.03**), each representation and warranty in this Agreement and the schedules and exhibits hereto shall be read without regard and without giving effect to any Materiality Qualifier contained in such representation or warranty which has the effect of making such representation and warranty less likely to be breached (as if such word or words were deleted from such representation or warranty). As used in this paragraph (d), "Materiality Qualifier" means any reference or qualification to a set of facts using the term "material," "in all material respects," "material adverse effect" or any similar phrase.

Section 8.06 **Tax Treatment of Indemnification Payments**. The Seller and the Buyer agree to treat any payment made pursuant to this **ARTICLE VIII** as an adjustment to the Final Purchase Price for U.S. federal, state and local income Tax purposes.

Section 8.07 **Additional General Limitations**. Except to the extent that Damages arise in a Third Party Claim for which indemnification is due, the Indemnified Party shall not seek, nor be entitled to, consequential, punitive, exemplary or special damages (including damages for any lost profits) in any claim for indemnification or recovery pursuant to this **ARTICLE VIII**. Any claim for Damages payable under this **ARTICLE VIII** shall be (i) net of any insurance proceeds actually received by such Indemnified Party with respect to such Damages (after deducting the amounts of policy deductibles, self-insured retentions and any out of pocket costs and expenses incurred in connection with the recovery of such proceeds), and (ii) calculated on an "After-Tax Basis", which shall mean, with respect to the event giving rise to such Damages (the "Indemnified Event"), Damages shall be determined after taking into account, to the extent not previously taken into account in computing the amount of the such Damages, all reductions in federal, state, local and foreign Taxes (including estimated Taxes) realized by the Indemnified Party for all affected taxable years and periods as a result of the Indemnified Event. All calculations regarding such reductions shall be made at the time of the relevant indemnification payment using reasonable assumptions and present value concepts as reasonably agreed to by Buyer and Seller. In addition, Seller shall have no liability or obligation under this **ARTICLE VIII** for any Damages from any claim or matter for which the Final Net Working Capital reflects an accrual or other applicable adjustment.

Section 8.08 **Exclusive Remedy.** Except with respect to any equitable remedy to which the Buyer Indemnified Person shall be entitled for a breach by a Seller of any of **Sections 7.02 or 7.03** hereof and except with respect to the Other Transaction Documents, the remedies and causes of action provided in this **ARTICLE VIII** shall be the exclusive remedies and causes of action of the parties hereto after the Closing in connection with the terms of, and the transactions contemplated by, this Agreement, including without limitation any breach or non-performance of any representation, warranty, covenant or agreement contained herein or in any closing certificate delivered pursuant hereto; and, to the extent allowed by applicable law, each indemnified party does hereby waive any and all such other statutory, common law and contractual rights and remedies with respect to the subject matter of this Agreement.

Section 8.09 **Knowledge and Insurance.** The right of an Indemnified Party to indemnification pursuant to this Article VIII will not be affected by any investigation conducted or knowledge acquired (or capable of being acquired) by such Indemnified Party, at any time, whether before or after the execution and delivery of this Agreement, with respect to the accuracy of any representation or warranty, performance of or compliance with any covenant or agreement referred to herein. Notwithstanding any provision of this Agreement or any other agreement between the parties to the contrary, in no event shall Seller have any obligation hereunder or otherwise, to indemnify and hold Buyer harmless from and against any Damages suffered or incurred directly or indirectly, as a result of or arising from any breach of any representation or warranty of the Seller or the Company under this Agreement, or any breach by the Seller or the Company of any of its covenants or other agreements set for in this Agreement, if and to the extent all or any part of such Damages are covered by insurance maintained by Buyer or the Company (and in each such case, the insured under such policy must first make good faith and diligent efforts to promptly claim and recover against the applicable insurer for any such matters).

Section 8.10 **No Reliance.** The Buyer has not relied on the Seller with respect to any matter in connection with the evaluation of the Company other than the representations and warranties of the Seller and the Company specifically set forth in Articles IV and V hereof, and the Buyer acknowledges that the Seller is making no representations or warranties, express or implied, of any nature whatever with respect to the Company other than the representations and warranties of specifically set forth in Articles IV and V.

2. **Treatment of Confidential Information.**

(a) **Ownership and Implied Rights.** The Employee acknowledges that all Confidential Information and Confidential Documents are and shall remain the exclusive property of the Company or the applicable Affiliated Entity and nothing in this Agreement or any other document entered into by and between the Employee and the Company or any course of conduct between the Company and the Employee shall be deemed to grant the Employee any rights in or to all or any portion of the Confidential Information or Confidential Documents.

(d) **Ordered Disclosure.** In the event that the Employee is ordered to disclose any Confidential Information or Confidential Documents, whether in a legal or regulatory proceeding or otherwise, the Employee shall provide the Company and the applicable Affiliated Entity with prompt notice of such request or order so that the Company and the applicable Affiliated Entity may seek to prevent disclosure or, if that cannot be achieved, the entry of a protective order or other appropriate protective device or procedure in order to assure, to the extent practicable, compliance with the provisions of this Agreement. In the case of any disclosure, the Employee shall disclose only that portion of the Confidential Information or Confidential Documents that the Employee is ordered to disclose.

(f) **Former Employer Information.** The Employee agrees that the Employee will not, during the course of employment with the Company, improperly use or disclose any proprietary information or trade secrets of any former or concurrent employer and will not bring onto the premises of the Company any unpublished document or proprietary information or property belonging to any such former or concurrent employer unless consented to in writing by such former or concurrent employer.

3. **Ownership of Work Product.**

(a) **Inventions Retained and Licensed.** The Employee acknowledges that attached hereto as Exhibit A, is a list describing all inventions, original works of authorship, developments, improvements, and trade secrets which were made by the Employee prior to employment with the Company including those conceived, developed or reduced to practice prior to execution of this Agreement or which are owned by the Employee (collectively referred to herein as "**Prior Inventions**") or, if no such list is attached, the Employee represents that there are no such Prior Inventions. The Employee agrees that if, in the course of the Employee's employment by the Company and/or in connection with any services the Employee may provide to the Company, the Employee incorporates into a Company product or process a Prior Invention owned by the Employee or in which the Employee has an interest, the Company is hereby granted a nonexclusive, transferable, royalty-free, fully-paid, irrevocable, perpetual, world-wide license to make, have made, modify, use and sell such Prior Invention.

(b) **Ownership of Rights.** The Employee agrees and acknowledges that all Work Product which is conceived, created, designed, developed or contributed by the Employee in connection with employment and are deemed to be (i) within the scope of employment, or (ii) "works made for hire" under the United States Copyright Act (or other applicable statute), and all worldwide rights, title and interest in and to any and all Work Product, shall be and remain the exclusive property of the Company (or the assignee of the Company), free from any legal or equitable claim of right, title or interest which the Employee might have in or with respect thereto. Upon the conception of any Work Product by the Employee (either solely or in conjunction with others) and without waiting to perfect or complete it, the Employee shall immediately and fully disclose such Work Product to the Company (or the assignee of the Company), and no one else, and shall thereafter treat the Work Product as Confidential Information of the Company (or the assignee of the Company).

(c) **Assignment of Rights.** The Employee acknowledges that all Work Product which is not covered by subparagraph (b) above shall be deemed to have been specifically ordered or commissioned by the Company, and in consideration of the compensation and other benefits provided by the Company to the Employee, the Employee hereby assigns, transfers and conveys to the Company (or the assignee of the Company) any and all worldwide right, title and interest which the Employee may have in or to the Work Product including without limitation, any right, title and interest in or to the Work Product arising under trade secret, copyright, mask work, or patent laws or any other laws. The Employee acknowledges that the decision whether or not to commercialize or market any Work Product is within the sole discretion of the Company (or the assignee of the Company) and for the sole benefit of the Company (or the assignee of the Company) and that no royalty will be due to the Employee as a result of the Company's (or the assignee's) efforts to commercialize or market any Work Product.

(d) **Maintenance of Records.** The Employee agrees to keep and maintain adequate and current written records of all Work Product made by the Employee during the term of employment with the Company. The records will be in the form of notes, sketches, drawings, whether in electronic or hardcopy form, and any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company (or the assignee of the Company) at all times.

(e) **Further Assurances.** During and after the term of the Employee's employment with the Company, the Employee shall from time to time and when requested by the Company (or the assignee of the Company) and at the Company's (or the assignee's) expense, but without further consideration to the Employee, (i) execute all paper and documents and perform all other acts necessary or appropriate, in the discretion of the Company (or the assignee of the Company), to evidence or further document the Company's (or the assignee's) ownership of the Work Product and the above-mentioned proprietary rights therein, and (ii) assist the Company (or the assignee of the Company) in obtaining, registering, maintaining and defending for the Company's (or the assignee's) benefit (which defense shall be at the Company's or the assignee's expense) all patents, copyrights, mask work rights, trade secret rights and other proprietary rights, in and to the Work Product in any and all countries as the Company (or the assignee of the Company) may determine in its sole discretion. The Employee agrees that if for any reason the Employee fails to fulfill such obligations due to mental or physical incapacity, death, absence, lack of cooperation or any other reason, then the Employee hereby irrevocably designates and appoints the Company (or the assignee of the Company) and its duly authorized officers and agents as the Employee's agent and attorney-in-fact, to act for and on behalf of the Employee and stand to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations thereon with the same legal force and effect as if executed by the Employee.

(f) **Excluded Inventions and Work Product.** The foregoing shall not apply to any inventions, original works of authorship, developments, improvements, and trade secrets developed by Employee outside of Employee's scope of employment or unrelated to Employer's business. Ownership and all other rights associated with such inventions, original works of authorship, developments, improvements, and trade secrets shall remain or vest solely in Employee.

4. **Non-Competition and Non-Solicitation.**

(a) **Non-Competition.** In consideration of employment by the Company, the Employee agrees that all times during employment with the Company and for the 24 months thereafter, the Employee shall not, singly, jointly, or as a partner, member, employee, agent, officer, director, manager, stockholder (except as a holder, for investment purposes only, of not more than one percent (1%) of the outstanding stock of any company listed on a national securities exchange, or actively traded in a national over-the-counter market), equity holder, lender, consultant, independent contractor, or joint venturer of any other person, or in any other capacity, directly or beneficially: own, manage, operate, join, control, or participate in the ownership, management, operation or control of, or permit the use of the name of the Employee by, or work for, or provide consulting, financial or other assistance to, or be connected in any manner with, a Competing Business anywhere in the Protected Territory.

(b) **Non-Solicitation.** In consideration of employment by the Company, the Employee agrees that all times during employment with the Company and for 24 months thereafter, the Employee shall not:

(i) Employ, retain or engage (as an employee, consultant, independent contractor or otherwise), or induce or attempt to induce to be employed, retained or engaged, any person who is or was, within six (6) months preceding the date of such employing, retaining, or engaging or inducement or attempt to induce, an employee, consultant, sales agent or representative or independent contractor of the Company or any Affiliated Entity;

(ii) Induce or attempt to induce any person who, as of the date hereof or at any time thereafter during the Employee's employment with the Company, is an employee, consultant, sales agent or representative or independent contractor of the Company or any Affiliated Entity to terminate Employee's employment or other relationship with the Company or any Affiliated Entity; or

(iii) Induce or attempt to induce any person who is a customer or supplier of the Company or any Affiliated Entity or who otherwise is a contracting party with the Company or any Affiliated Entity as of the date hereof or at any time during the Employee's employment with the Company to terminate any written or oral agreement or understanding or other relationships with the Company or any Affiliated Entity or reduce the amount of business it conducts with the Company or any Affiliated Entity.

Section 4(b)(ii) shall not restrict Employee at any time from engaging professionals that have provided accounting, tax or legal advice to the Company.

(c) **Non-Disparagement.** The Employee shall not, or induce others to, Disparage the Company, any Affiliated Entity or any of their past and present officers, directors, managers, employees or products. "**Disparage**" shall mean making comments or statements to the press, the Company's or any Affiliated Entity' employees or any individual or entity with whom the Company or any Affiliated Entity has a business relationship which could materially adversely affect in any manner: (i) the conduct of the business of the Company or any Affiliated Entity (including, without limitation, any products or business plan or prospects); or (ii) the business reputation of the Company, any Affiliated Entity, or any of their products, or their past or present officers, directors, managers or employees.

(d) **Tolling.** The term of these non-competition and non-solicitation covenants shall be tolled, and the terms of these covenants extended, during any period of actual competition by the Employee and/or any period of litigation required to enforce the Employee's obligations under this Agreement.

5. **Equitable Remedies.** The Company and the Employee hereto agree that irreparable harm would occur in the event that any of the covenants and provisions of this Agreement were not performed fully by the Employee in accordance with their specific terms or conditions or were otherwise breached, and that monetary damages are an inadequate remedy for breaches of this Agreement because of the difficulty of ascertaining and quantifying the amount of damage that will be suffered by the Company or any Affiliated Entity in the event that this Agreement is not performed in accordance with its terms or conditions or is otherwise breached. It is accordingly hereby agreed that the Company or any Affiliated Entity shall be entitled to seek an injunction or injunctions or other equitable relief to restrain, enjoin and prevent breaches of this Agreement by the Employee and to enforce specifically such terms and provisions of this Agreement, such remedy being in addition to and not in lieu of, any other rights and remedies to which the Company or any Affiliated Entity are entitled to at law or in equity. The Company and the Employee agree that the covenants set forth in this Agreement shall be enforced to the fullest extent permitted by law. Accordingly if, in any judicial proceedings, a court shall determine that such covenant is unenforceable for any reason, including, without limitation, because it covers too extensive a geographical area or survives too long a period of time, then the parties intend that such covenant shall be deemed to cover only such maximum geographical area and maximum period of time, if applicable, and/or shall otherwise be deemed to be limited in such manner, as will permit enforceability by such court. In the event that any one or more of such covenants shall, either by itself or together with other covenants be adjudged to go beyond what is reasonable in all the circumstances for the protection of the interests of the Company, the Affiliated Entities and their owners, but would be adjudged reasonable if any particular covenant or covenants or parts thereof were deleted, restricted, or limited in a particular manner, then the said covenants shall apply with such deletions, restrictions, or limitations, as the case may be. The Company and the Employee further agree that the covenants set forth in this Agreement are reasonable in all circumstances for the protection of the legitimate interests of the Company, the Affiliated Entities and their owners.

6. **Notification of New Employer.** In the event that the Employee is no longer employed by the Company, the Employee consents to notification by the Company to the Employee's new employer regarding the Employee's rights and obligations under this Agreement and any other agreement by which the Employee is bound.

7. **Representations.** The Employee represents and warrants that employment with the Company and the Employee's performance of all the terms of this Agreement will not result in a breach of any agreement with a third party, including the breach of any agreement to keep in confidence proprietary information acquired by the Employee in confidence or in trust prior to the Employee's employment by the Company or to refrain from competing with any third party. The Employee represents and warrants that, except as set forth on Exhibit A, the Employee is not subject to any agreement, understanding or other duty (whether pursuant to any non-competition, non-solicitation or confidentiality agreement or otherwise) that would in any way restrict or hinder the Employee's performance of any duties to the Company.

8. **Assignment.** This Agreement shall be binding on and inure to the benefit of the parties and their successors and permitted assigns. The Company may assign its rights and obligations under this Agreement to any successor without the consent of the Employee. The Employee may not assign any rights or obligations under this Agreement without the prior written consent of the Company.

9. **Waivers and Amendments.** The respective rights and obligations of the Company and the Employee under this Agreement may be waived (either generally or in a particular instance, either retroactively or prospectively, and either for a specified period of time or indefinitely) or amended only with the written consent of a duly authorized representative of the Company and the Employee. Any waiver by the Company of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach of such provision or any other provision hereof.

10. **Survival.** The obligations of the Employee under this Agreement shall survive termination of this Agreement and/or the Employee's employment by the Company.

11. **Not an Employment Agreement.** The Employee acknowledges that this Agreement does not create any obligation on the Company to continue to employ the Employee for any period. The Employee hereby acknowledges and agrees that the execution and performance of this Agreement does not constitute a promise or contract of continued employment.

12. **Entire Agreement.** This Agreement expresses the entire agreement between the Employee and the Company with respect to the subject matter of this Agreement and supersedes and replaces all prior oral or written understandings or agreements regarding that subject matter. This Agreement shall amend and shall hereby be incorporated into any existing contract, agreement, arrangement or understanding between the Company and the Employee. This Agreement shall not merge into, but shall survive any subsequent contract, agreement or deed unless expressly referenced therein.

13. **Governing Law.** This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Florida (without giving effect to any conflicts or choice of laws provisions thereof that would cause the application of the domestic substantive laws of any other jurisdiction).

14. **Consent to Jurisdiction.**

(a) EACH OF THE PARTIES HERETO HEREBY CONSENTS TO THE JURISDICTION OF ALL STATE AND FEDERAL COURTS LOCATED IN PALM BEACH COUNTY, FLORIDA, AS WELL AS TO THE JURISDICTION OF ALL COURTS TO WHICH AN APPEAL MAY BE TAKEN FROM SUCH COURTS, FOR THE PURPOSE OF ANY SUIT, ACTION OR OTHER PROCEEDING ARISING OUT OF, OR IN CONNECTION WITH, THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HEREBY EXPRESSLY WAIVES ANY AND ALL RIGHTS TO BRING ANY SUIT, ACTION OR OTHER PROCEEDING IN OR BEFORE ANY COURT OR TRIBUNAL OTHER THAN THE COURTS DESCRIBED ABOVE AND COVENANTS THAT IT SHALL NOT SEEK IN ANY MANNER TO RESOLVE ANY DISPUTE OTHER THAN AS SET FORTH IN THIS SECTION OR TO CHALLENGE OR SET ASIDE ANY DECISION, AWARD OR JUDGMENT OBTAINED IN ACCORDANCE WITH THE PROVISIONS HEREOF.

(b) EACH OF THE PARTIES HERETO HEREBY EXPRESSLY WAIVES ANY AND ALL OBJECTIONS IT MAY HAVE TO VENUE, INCLUDING, WITHOUT LIMITATION, THE INCONVENIENCE OF SUCH FORUM, IN ANY OF SUCH COURTS.

15. **Jury Waiver.** EACH PARTY HEREBY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHT, POWER, OR REMEDY UNDER OR IN CONNECTION WITH THIS AGREEMENT OR UNDER OR IN CONNECTION WITH ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HERewith OR ARISING FROM ANY RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREE THAT ANY SUCH ACTION SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THE TERMS AND PROVISIONS OF THIS SECTION CONSTITUTE A MATERIAL INDUCEMENT FOR THE PARTIES ENTERING INTO THIS AGREEMENT.

16. **Attorneys' Fees.** In the event of a dispute or controversy between the parties for any matter arising out of this Agreement, the prevailing party in such dispute or controversy shall be entitled to recover against the other party reasonable attorneys' fees, paraprofessional fees, and court costs, including the cost of any appeal or appeals associated therewith.

17. **Titles and Subtitles.** The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

Each Holder agrees to vote, or cause to be voted, all Capital Stock of the Company owned by such Holder, or over which such Holder has voting control, from time to time and at all times, in whatever manner as shall be necessary to ensure that at each annual or special meeting of shareholders at which an election of directors is held or pursuant to any written consent of the shareholders, the following persons shall be elected to the Board:

(i) One individual (the “**Donnick Designee**”) designated by Thomas Donnick, Jr. (“**Donnick**”), which individual shall initially be Donnick, for so long as Donnick and his Permitted Transferees continue to collectively own at least 20% of the issued and outstanding shares of Capital Stock of the Company; and

Sasnett, for so long as such Holder and its Affiliates continue to collectively own at least 20% of the issued and outstanding shares of Capital Stock of the Company.

In the event of Donnick’s death, decisions to be made by Donnick and rights to be exercised by Donnick under this Agreement including, but not limited to, those under Sections 2.1(b)(i), 2.2, 2.3 and 4.1 shall be made by a person designated by a majority vote of his Permitted Transferees based on the number of shares owned by each Permitted Transferee.

To the extent that any of clauses (a) or (b) above shall not be applicable, any member of the Board who would otherwise have been designated in accordance with the terms thereof shall instead be voted upon by all the shareholders of the Company entitled to vote thereon in accordance with, and pursuant to, the Company’s Articles of Incorporation and Bylaws.

ARTICLE 3

RESTRICTIONS ON TRANSFER

3.1 Transfer Restrictions.

(a) Except as specifically set forth herein, no Holder shall be permitted at any time to Transfer to any Person any Company Securities without the prior written approval of the other Holders. If any Transfer is made or attempted contrary to the provisions of this **Article 3** (a “**Prohibited Transfer**”), such purported Transfer shall be void *ab initio*; the Company and the other parties hereto shall have, in addition to any other legal or equitable remedies which they may have, the right to enforce the provisions of this Agreement by actions for specific performance (to the extent permitted by law); and the Company shall have the right to refuse to recognize any transferee of a Prohibited Transfer as one of its shareholders for any purpose.

(b) Notwithstanding anything to the contrary contained in this **Article 3**, each Holder shall be permitted to Transfer Company Securities (i) to the Company upon the Company's repurchase of any unvested Company Securities pursuant to the terms of restricted stock agreement or similar agreement approved by the Board, (ii) in the case of the Holders who are individuals, to Family Members of such persons or in the case of death, to their estates and to the beneficiaries of their estates (such persons set forth in clauses (i) and (ii), individually the "**Permitted Transferee**" and collectively the "**Permitted Transferees**"); *provided* that in each case the Permitted Transferee(s) who are Family Members, estates or beneficiaries of estates shall hold such Company Securities subject to the same restrictions that are applicable hereunder to its transferor, shall agree in writing to be bound by the terms of this Agreement prior to any such Transfer.

(c) Notwithstanding anything to the contrary contained in this **Article 3**, no Holder shall be permitted at any time to Transfer to any Person any Company Securities if (i) such Transfer would not be in compliance with applicable Securities Laws, (ii) if such Transfer constitutes an event of default under the terms of any indebtedness outstanding or other material contractual obligations of the Company, or (iii) such Company Securities remain subject to vesting or similar restrictions.

ARTICLE 4

TAG-ALONG RIGHT

4.1 Tag-Along Right. If CW Holdings desires to sell all of the Company Securities it holds and has obtained the written consent of Donnick as required by **Section 3.1(a)**, CW Holdings shall first obtain an arm's length, bona fide, legally enforceable written offer, acceptable to CW Holdings, from an unrelated third party to purchase the Company Securities. CW Holdings shall give written notice of such proposed sale (the "**Notice of Sale**") to Donnick, setting forth the name of the prospective buyer, the consideration to be paid, payment terms and other material terms of the sale. The Notice of Sale shall include the anticipated closing date, which shall be not less than twenty (20) days and not more than ninety (90) days after the date of the Notice of Sale. Donnick shall have the option to notify CW Holdings that Donnick and his Permitted Transferees wish to sell all of their Company Securities to the prospective buyer upon the same terms and conditions (including without limitation, the same per share purchase price) as set forth in the Notice of Sale (the "**Tag Along Right**"). Such notice may be given to CW Holdings at any time prior to the tenth (10th) day preceding the closing date specified in the Notice of Sale. If Donnick elects to exercise his Tag Along Right, then CW Holdings shall not thereafter consummate the sale of the Company Securities it holds unless the Company Securities of Donnick and his Permitted Transferees are also purchased by the prospective buyer upon the same terms and conditions (including without limitation, the same per share purchase price). If Donnick fails to timely, or elects not to, exercise his Tag Along Right, CW Holdings shall have the right, for a period of ninety (90) days from the date of the Notice of Sale, to sell all of the Company Securities held by CW Holdings to the prospective buyer, for the consideration, and upon the payment terms and other material terms of the sale set forth in the Notice of Sale. If the Company Securities held by CW Holdings are not sold by the end of this ninety (90) day period, the Company Securities held by CW Holdings shall continue to be subject to the requirements of **Section 3.1** and this **Section 4.1**.

ARTICLE 5

INFORMATION AND OBSERVER RIGHTS

5.1 Delivery of Financial Statements. So long as Donnicks and his Permitted Transferees continue to collectively own at least 20% of the issued and outstanding shares of Capital Stock of the Company, the Company shall deliver to Donnicks and such Permitted Transferees:

(a) as soon as practicable, but in any event within ninety (90) days after the end of each fiscal year of the Company, statements of income for such year, and a balance sheet as of the end of such year, all such financial statements prepared in accordance with GAAP;

(b) as soon as practicable, but in any event within sixty (60) days after the end of each of the first three (3) quarters of each fiscal year of the Company, unaudited statements of income for such fiscal quarter, and an unaudited balance sheet as of the end of such fiscal quarter, prepared in accordance with GAAP (except that such financial statements may be subject to normal year-end adjustments);

(c) as soon as practicable, but in any event within forty-five (45) days of the end of each month, an unaudited income statement for such month, prepared in accordance with GAAP (except that such income statement may be subject to normal year-end adjustments); and

If, for any period, the Company has any Subsidiary whose accounts are consolidated with those of the Company, then in respect of such period the financial statements delivered pursuant to the foregoing sections shall be the consolidated and consolidating financial statements of the Company and all such consolidated subsidiaries.

5.2 Inspection. So long as Donnicks and his Permitted Transferees continue to collectively own at least 20% of the issued and outstanding shares of Capital Stock of the Company, the Company shall permit Donnicks or his Permitted Transferees, at Donnicks's or such Permitted Transferees' expense, to visit and inspect the Company's properties; examine its books of account and records; and discuss the Company's affairs, finances, and accounts with its officers, during normal business hours of the Company as may be reasonably requested by Donnicks or such Permitted Transferee; provided, however, that the Company shall not be obligated pursuant to this **Section 5.2** to provide access to any information that it reasonably and in good faith considers to be a trade secret or confidential information (unless covered by an enforceable confidentiality agreement, in form acceptable to the Company) or the disclosure of which would adversely affect the attorney-client privilege between the Company and its counsel.

5.3 Termination of Information. The covenants set forth in **Section 5.1**, and **Section 5.2** shall terminate and be of no further force or effect upon a Sale of the Company.

5.4 Confidentiality. Each Holder agrees that such Holder will keep confidential and will not disclose, divulge, or use for any purpose (other than to monitor its investment in the Company) any confidential information obtained from the Company pursuant to the terms of this Agreement, unless such confidential information (a) is known or becomes known to the public in general (other than as a result of a breach of this **Section 5.4** by such Holder), (b) is or has been independently developed or conceived by the Holder without use of the Company's confidential information, or (c) is or has been made known or disclosed to the Holder by a third party without a breach of any obligation of confidentiality such third party may have to the Company; provided, however, that a Holder may disclose confidential information (i) to its attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring its investment in the Company; (ii) to any Affiliate, partner, member, stockholder, or wholly owned Subsidiary of such Holder in the ordinary course of business, provided that such Holder informs such Person that such information is confidential and directs such Person to maintain the confidentiality of such information; or (iii) as may otherwise be required by law, provided that the Holder promptly notifies the Company of such disclosure and takes reasonable steps to minimize the extent of any such required disclosure.

ARTICLE 6

DIVIDENDS

6.1 Dividends. So long as Donnick and his Permitted Transferees continue to collectively own at least 20% of the issued and outstanding shares of Capital Stock of the Company, the Board shall cause the Company to pay a dividend of all Cash Available for Distributions to the shareholders within thirty (30) days after the end of each calendar year.

6.2 Restriction on Dividends. Notwithstanding any other provision of this Agreement, no dividend may be paid by the Company to any shareholder in violation of the Florida Business Corporation Act or the Company's covenants with its lender(s), if any. In addition, the Company shall not pay a dividend to a shareholder to the extent that, at the time of the dividend, after giving effect to the dividend, all liabilities of the Company, other than liabilities for which recourse of creditors is limited to specified property of the Company, exceed the fair market value of the assets of the Company, except that the fair market value of property that is subject to a liability for which the recourse of creditors is limited shall be included in the assets of the Company only to the extent that the fair value of such property exceeds such liability.

ARTICLE 7

MISCELLANEOUS

If, after providing such notice and assistance as required herein, the Receiving Party remains required by Law to disclose any Confidential Information, the Receiving Party shall disclose no more than that portion of the Confidential Information which, on the advice of the Receiving Party's legal counsel, the Receiving Party is legally required to disclose and shall use commercially reasonable efforts to obtain assurances from the applicable court or agency that such Confidential Information will be afforded confidential treatment.

Section 8.03 Nothing in this Agreement shall prevent either party from using any general methodologies or know-how contained in the unaided memory of such party's personnel or those of its Affiliates developed or disclosed under this Agreement, provided that in doing so it is not in breach of its obligations of confidentiality under this Section or using any Intellectual Property Rights of the other party or any of its Affiliates.

The indemnifying party shall not settle any Action in a manner that adversely affects the rights of the indemnified party without the indemnified party's prior written consent. Section 15.05 For purposes of this Agreement, (a) the words "include," "includes" and "including" shall be deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; and (c) the words "herein," "hereof," "hereby," "hereto" and "hereunder" refer to this Agreement as a whole. Unless the context otherwise requires, references herein: (x) to Sections and Exhibits refer to the Sections of, and Exhibits attached to, this Agreement; (y) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The Exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.

Section 15.06 This Agreement, together with all Exhibits and any other documents incorporated herein by reference, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

Section 15.07 Neither party may assign, transfer or delegate any or all of its rights or obligations under this Agreement, without the prior written consent of the other party; *provided, that*, upon prior written notice to the other party, either party may assign the Agreement to an Affiliate of such party or to a successor of all or substantially all of the assets of such party through merger, reorganization, consolidation or acquisition. No assignment shall relieve the assigning party of any of its obligations hereunder. Any attempted assignment, transfer or other conveyance in violation of the foregoing shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 15.08 This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement.

Section 15.09 The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 15.10 This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

Section 15.11 If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 15.12 This Agreement shall be governed by and construed in accordance with the internal laws of the State of Florida without giving effect to any choice or conflict of law provision or rule (whether of the State of Florida or any other jurisdiction) that would cause the application of Laws of any jurisdiction other than those of the State of Florida. Any legal suit, action or proceeding arising out of or related to this Agreement or the Services provided hereunder shall be instituted exclusively in the federal courts of the United States or the courts of the State of Florida in each case located in the county of Palm Beach County, Florida, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of process, summons, notice or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action or other proceeding brought in any such court.

Section 15.13 EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 15.14 Each party acknowledges that a breach by a party of **Article VII** (Intellectual Property Rights; Ownership) or **Article VIII** (Confidentiality) may cause the non-breaching party irreparable damages, for which an award of damages would not be adequate compensation and agrees that, in the event of such breach or threatened breach, the non-breaching party will be entitled to seek equitable relief, including a restraining order, injunctive relief, specific performance and any other relief that may be available from any court, without the necessity of proving actual damages or the posting of a bond, in addition to any other remedy to which the non-breaching party may be entitled at law or in equity. Such remedies shall not be deemed to be exclusive but shall be in addition to all other remedies available at law or in equity, subject to any express exclusions or limitations in this Agreement to the contrary.

Section 15.15 In the event that any action, suit, or other legal or administrative proceeding is instituted or commenced by either party hereto against the other party arising out of or related to this Agreement, the prevailing party shall be entitled to recover its actual attorneys' fees and court costs from the non-prevailing party (including such fees and costs on appeal).

Section 15.16 This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Term Promissory Note

{see attached}

TERM PROMISSORY NOTE

FOR VALUE RECEIVED, Aerex Industries, Inc., a Florida corporation (“**Borrower**”), having an office at 3504 Industrial 27th Street, Ft. Pierce, FL 34946, unconditionally promises to pay to the order of **Thomas Donnick, Jr.**, an individual (“**Lender**”), at 2055 Mooringline Drive, Vero Beach, FL 32963 or at such other place as Lender may designate in writing, the principal sum of **Four Hundred Ninety Thousand (\$490,000)** (the “**Loan**”) outstanding hereunder together with all accrued interest thereon, on August 10, 2016 (the “**Maturity Date**”), as provided in this Term Promissory Note (this “**Note**”).

Due on the Maturity Date. Notwithstanding any terms in this Note to the contrary, the enumeration in this Note of specific obligations of Borrower to Lender and/or conditions to the availability of funds under this Note shall not be construed to qualify, define, or otherwise limit Lender's right, power or ability, at any time and for any reason, under applicable law, to require full payment of the Loan and all accrued and unpaid interest and all other amounts payable under this Note on the Maturity Date.

Payments. Payments made under this Note shall be in accordance with the following:

Manner of Payments. All payments of interest and principal shall be made in lawful money of the United States of America by check or wire transfer of immediately available funds to Lender's account at a bank specified by Lender in writing to Borrower from time to time.

Application of Payments. All payments, including insufficient payments, shall be credited, regardless of their designation by Borrower, first to collection expenses due hereunder, then to outstanding late charges, then to interest due and payable but not yet paid, and the remainder, if any, to principal.

Prepayment. Borrower may, without the payment of any penalty or premium, prepay the principal of this Note in whole, or from time to time, in part, together with accrued interest thereon.

Interest. Interest under this Note shall be as follows:

Interest Rate. Borrower shall pay interest to Lender on the unpaid principal amount of the Loan outstanding hereunder, accruing from the date hereof to the date on which the entire principal sum hereof has been paid in full, computed on the basis of the actual number of days elapsed in a 365 day year, at a rate per annum which shall be equal to 1%, compounded annually as of the last day of each calendar year. In no event shall interest exceed the maximum legal rate permitted by law.

Interest Payable. Interest, at the rate described above, shall be payable ON DEMAND. Borrower may make whole or partial interest payments at any time prior to demand, without penalty and without affecting any other provisions of this Note.

Representations and Warranties. Borrower hereby represents and warrants as of the date of this Note, as follows:

Existence. Borrower is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Florida.

Power and Authority. Borrower has the power and authority, and the legal right, to execute and deliver this Note and to perform its obligations hereunder.

Authorization, Execution and Delivery. The execution and delivery of this Note by Borrower and the performance of its obligations hereunder have been duly authorized by all necessary corporate action in accordance with all applicable laws. Borrower has duly executed and delivered this Note.

Enforceability. This Note is a valid, legal and binding obligation of Borrower, enforceable against Borrower in accordance with its terms except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

No Approvals. No consent or authorization of, filing with, notice to or other act by, or in respect of, any governmental authority or any other person is required in order for Borrower to execute, deliver, or perform any of its obligations under this Note.

No Violations. The execution and delivery of this Note and the consummation by Borrower of the transactions contemplated hereby do not and will not (a) violate any provision of Borrower's organizational documents; (b) violate any law or order applicable to Borrower or by which any of its properties or assets may be bound; or (c) constitute a default under any material agreement or contract by which Borrower may be bound.

Miscellaneous. Lender and Borrower further agree as follows:

Notices. All notices, requests or other communications required or permitted to be delivered hereunder shall be delivered in writing at the addresses set forth in the introductory paragraph of this Note or such other address as either Borrower or Lender may from time to time specify in writing. Notices mailed by certified or registered mail or sent by hand or overnight courier service shall be deemed to have been given when received. Notices sent by facsimile during the recipient's normal business hours shall be deemed to have been given when sent (and if sent after normal business hours shall be deemed to have been given at the opening of the recipient's business on the next business day). Notices sent by e-mail shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment).

Costs and Expenses. Borrower shall reimburse Lender on demand for all reasonable and documented out-of-pocket costs, expenses and fees (including reasonable expenses and fees of its counsel) incurred by Lender in connection with the enforcement of Lender's rights hereunder.

Governing Law. This Note and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Note and the transactions contemplated hereby shall be governed by the laws of the State of Florida.

Submission to Jurisdiction. Borrower hereby irrevocably and unconditionally agrees that any legal action, suit or proceeding arising out of or relating to this Note may be brought in the courts of the State of Florida or of the United States of America for the Southern District of Florida and submits to the exclusive jurisdiction of any such court in any such action, suit or proceeding. Final judgment against Borrower in any action, suit or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment.

Waiver of Jury Trial. BORROWER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY RELATING TO THIS NOTE OR THE TRANSACTIONS CONTEMPLATED HEREBY WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY.

Counterparts, Integration, Effectiveness. This Note and any amendments, waivers, consents or supplements hereto may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute a single contract. This Note constitutes the entire contract between the parties with respect to the subject matter hereof and supersedes all previous agreements and understandings, oral or written, with respect thereto. Delivery of an executed counterpart of a signature page to this Note by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Note.

Successors and Assigns. This Note may not be assigned, transferred or negotiated by Lender to any entity without the consent of Borrower. Borrower may not assign or transfer this Note or any of its rights hereunder without the prior written consent of Lender. This Note shall inure to the benefit of and be binding upon the parties hereto and their permitted successors and assigns.

Amendment and Waiver. No term of this Note may be waived, modified or amended except by an instrument in writing signed by both of the parties hereto. Any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Headings. The headings of the various Sections and subsections herein are for reference only and shall not define, modify, expand or limit any of the terms or provisions hereof.

No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising on the part of Lender, of any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Severability. If any term or provision of this Note is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Note or invalidate or render unenforceable such term or provision in any other jurisdiction.

Exhibit 99.1

For Immediate Release

CONSOLIDATED WATER CO. LTD. ACQUIRES MAJORITY INTEREST IN AEREX INDUSTRIES

GEORGE TOWN, Grand Cayman, Cayman Islands (February 16, 2016) -- Consolidated Water Co. Ltd. (NASDAQ Global Select Market: "CWCO"), which develops and operates seawater desalination plants and water distribution systems in areas of the world where naturally occurring supplies of potable water are scarce or nonexistent, today announced that it has acquired 51% of the ownership of Aerex Industries, Inc. ("Aerex"), effective February 11, 2016, for \$7.7 million in cash.

Aerex (which conducts business under the registered name of Aerex Global Water Solutions) is an original equipment manufacturer and service provider of a wide range of products and services applicable to municipal water treatment and industrial water and wastewater treatment. The company's products include membrane separation equipment, filtration equipment, piping systems, vessels and custom fabricated components. Aerex also provides engineering, design, consulting, inspection, training and equipment maintenance services. Aerex is an American Society of Mechanical Engineers (ASME) code accredited manufacturer and maintains the ASME U and S and the National Board NB and R Certificates of Authorization. The company's corporate offices and manufacturing facilities are located in Fort Pierce, Florida.

"This acquisition of a majority interest in Aerex represents an important first step of the expansion of our business model into other water-related industries and markets", commented Rick McTaggart, CWCO's Chief Executive Officer. "Aerex has long been one of our most highly valued suppliers. The equipment it has manufactured for us is integral to the performance of some of our most efficient and profitable desalination plants. Our ownership in Aerex gives us the traditional benefits associated with the vertical integration of a portion of our supply chain, and more importantly provides us with an operating platform in the United States through which we expect to continue to expand our customer base and product lines within the water industry."

"We are pleased to announce CWCO's investment in our company," stated Aerex President Thomas Donnick. "We believe significant growth opportunities exist for Aerex, and the financial, marketing, operational and technical resources that Consolidated Water will provide to us as a result of their investment will be vital to capitalizing on such growth opportunities."

Aerex's unaudited revenues exceeded \$19 million for the year ended December 31, 2015. Additional financial information regarding the acquisition and Aerex's financial performance for the year ended December 31, 2015 will be provided in a future filing by CWCO on Form 8-K.
