CHAIRMAN'S LETTER

Dear Fellow Shareholders:

In June of 2018, the U.S. Securities and Exchange Commission (the "SEC") voted unanimously to amend the definition of "smaller reporting company" ("SRC"), allowing an estimated 1,000 more companies to take advantage of the scaled disclosures permitted, on an item-by-item basis, for companies that meet the definition. The amendment, which became effective September 10, 2018, raises the SRC cap from "less than \$75 million" in public float to "less than \$250 million" and also includes companies with less than \$100 million in annual revenues as SRCs if they also have either no public float or a public float that is less than \$700 million. The amendment was intended to promote capital formation and to reduce compliance costs for public companies, while maintaining "appropriate investor protections."

As a result of the amendment to the definition of SRC, the Company is now considered an SRC. As such, we have elected to adopt the scaled disclosure requirements afforded to SRCs. Accordingly, the Company has provided more limited (or, in some cases, eliminated) disclosures than we have provided in prior years' proxy statements. Notably, the executive compensation disclosures contained in this current proxy statement which comply with the SEC's executive compensation disclosure rules for SRCs are comparatively narrower in scope than the executive compensation disclosures and Compensation Discussion and Analysis that we have included in prior years' proxy statements.

On behalf of your Board of Directors, I extend our gratitude for your support of our Company and request that you vote in the affirmative for the proposals to be considered at the 2019 Annual General Meeting of Shareholders.

Sincerely,

Wilmer F. Pergande
Chairman of the Board of Directors

CONSOLIDATED WATER CO. LTD.

**Annual General Meeting of Shareholders
Tuesday, May 21, 2019
Proxy Statement**

This Proxy Statement has been prepared and is distributed and made available by the board of directors (the “Board of Directors”) of Consolidated Water Co. Ltd. (the “Company”) in connection with the solicitation of proxies for the Annual General Meeting of Shareholders of the Company (the “Annual General Meeting”) to be held at The Westin Grand Cayman Seven Mile Beach Resort & Spa, Seven Mile Beach, Grand Cayman, Cayman Islands, at 10:00 a.m., local time, on Tuesday, May 21, 2019, and any adjournment or postponement thereof for the purpose set forth in the accompanying Notice of Annual General Meeting of Shareholders.

This Proxy Statement and the accompanying form of proxy will be distributed to shareholders and will be made available for viewing, downloading and printing by shareholders at www.proxyvote.com, on or about April 10, 2019. The Company will bear the cost of the solicitation of proxies.

Only holders of record of the Company’s Ordinary Shares, par value CI\$0.50 per share (the “Ordinary Shares”), and the Company’s Redeemable Preference Shares, par value CI\$0.50 per share (the “Redeemable Preference Shares”), on the books of the Company at the close of business on March 19, 2019, are entitled to vote at the Annual General Meeting. On that date, 15,009,770 Ordinary Shares and 32,813 Redeemable Preference Shares were issued and outstanding. Our Ordinary Shares and Redeemable Preference Shares are referred to as “common stock” and “redeemable preferred stock,” respectively, in our consolidated financial statements prepared in accordance with accounting principles generally accepted in the United States of America. All matters that come before this Annual General Meeting will be decided by a poll that will be demanded in each case by Frederick W. McTaggart or David W. Sasnett, the persons who are appointed proxies in the proxy card which accompanies this Proxy Statement. Each shareholder of record is entitled to one vote for each Ordinary Share or Redeemable Preference Share (collectively, the “Shares”) held on all polled matters that come before the Annual General Meeting. The holders of 33 $\frac{1}{3}$ % of the issued and outstanding Shares, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual General Meeting.

For Proposal 1, the election of two directors, each nominee shall be elected as a director if the number of Shares cast “for” such nominee’s election exceeds the number of Shares voted “against” such nominee’s election. The approval of holders of at least a majority of the Shares cast is required for: (i) Proposal 2, the advisory vote on executive compensation; and (ii) Proposal 3, the ratification of the selection of Marcum LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019.

Abstentions and “broker non-votes” (which occur when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner) are not treated as votes cast and, therefore, will not affect the outcome of the vote.

Shares represented by a properly executed proxy must be received not later than 24 hours before the scheduled time of the meeting and, if received in time to permit its use at the meeting or any postponement or adjournment thereof, will be voted in accordance with the instructions indicated therein. If no instructions are indicated, the Shares represented by the proxy will be voted (i) “for” the election of the nominees for director; (ii) “for” the approval of executive compensation; and (iii) “for” the ratification of the selection of Marcum LLP as the Company’s independent registered public accounting firm.

A shareholder of record who has given a proxy may revoke it at any time before it is voted at the meeting by giving written notice of such revocation to the office of the Secretary of the Company, or by executing and delivering to the Company not later than 24 hours before the scheduled time of the meeting a proxy bearing a later date. A proxy will be revoked automatically if a shareholder attends the meeting.

Shareholders may, by electronic means via the Internet or by mail, appoint a proxy to vote Shares as more fully described below:

- By Internet: Go to *www.proxyvote.com* and follow the instructions. Shareholders should have their proxy card available when accessing the site.
- By Mail: If shareholders have received a proxy card, shareholders should mark their vote, sign their name exactly as it appears on the proxy card, date the card and return it in the envelope provided.

Unless otherwise indicated herein, all references to “\$” are to United States dollars and all references to “CIS\$” are to Cayman Island dollars.

PROPOSAL 1

Election of Group I Directors

The shareholders of the Company will vote on the election of two Group I directors at the Annual General Meeting. Each nominee listed below has consented to being named a nominee in this Proxy Statement and has agreed to serve as a director if elected at the Annual General Meeting. If, prior to the Annual General Meeting, a nominee should become unavailable to serve, the proxies in such nominee's favor will be void. The Board of Directors knows of no reason to anticipate that this will occur.

In accordance with the Company's Articles of Association, the Board of Directors is divided into three groups, designated Group I, Group II and Group III. At the 2019 Annual General Meeting, shareholders will vote on the election of the Group I directors. Directors in Group II and Group III will be eligible for reelection at the Company's Annual General Meetings in 2020 and 2021, respectively. Each group, upon election, serves for a three-year term.

The affirmative vote of the holders of a majority of the Shares cast at the Annual General Meeting is required to elect each director. Abstentions and "broker non-votes" are not treated as votes cast and, therefore, will not affect the outcome of the vote. Unless a shareholder specifies otherwise on the accompanying proxy, its shares will be voted "FOR" the Group I nominees listed below.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEES LISTED BELOW.

Board Leadership Structure and Risk Oversight

Mr. McTaggart currently serves as our principal executive officer, and Mr. Pergande, an independent director, currently serves as the Chairman of the Board of Directors. The Board of Directors has determined that having an independent director serve as Chairman of the Board of Directors is consistent with corporate governance best practices and is in the best interest of shareholders at this time. The structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting goals, objectives and agendas to establish priorities and procedures for the work of the Board of Directors.

The Board of Directors is engaged in the oversight of risk through regular updates from Mr. McTaggart, in his role as our Chief Executive Officer, and other members of our management team, regarding those risks confronting us, the actions and strategies necessary to mitigate those risks and the status and effectiveness of those actions and strategies. The updates are provided at regularly scheduled Board of Directors and committee meetings as well as through more frequent informal meetings that include the Chairman of the Board of Directors, our Board of Directors, our Chief Executive Officer, our Chief Financial Officer, our Chief Commercial Officer and other members of our management team. The Board of Directors provides insight into the issues, based on the experience of its members, and provides constructive challenges to management's assumptions and assertions.

Governance of the Company

Pursuant to the Company's Memorandum of Association, Articles of Association and Cayman Islands law, the Company's business, property and affairs are managed under the direction of the Board of Directors. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chief Executive Officer and other senior officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

The Board of Directors has determined that the directors nominated for re-election and all of the directors whose terms will continue after the Meeting (with the exception of Mr. McTaggart) are "independent" as such term is defined by the applicable listing standards of The NASDAQ Stock Market LLC ("NASDAQ"). The Board of Directors based this determination primarily on a review of the responses of the directors to questions regarding their employment, affiliations, family and other relationships.

The Company schedules meetings of the Board of Directors quarterly, in conjunction with its Annual General Meeting, and as necessary throughout the year. The Company expects that all directors will attend each meeting, absent a valid reason, such as a scheduling conflict. The Board of Directors held four meetings during 2018.

Each director attended at least 75% of the meetings of the Board of Directors held during 2018; and each director, other than Clarence B. Flowers, attended at least 75% of the meetings held by all committees of the Board of Directors on which he or she served during 2018.

The Board of Directors has also adopted a Code of Business Conduct and Ethics that applies to all of the Company's directors, officers (including the principal executive officer, principal financial officer and principal accounting officer) and employees. Our Code of Business Conduct and Ethics is posted on the "Investors — Governance" section of the Company's website: <http://www.cwco.com>.

If, in the future, the Board of Directors amends the Code of Business Conduct and Ethics or grants a waiver to our principal executive officer, principal financial officer or principal accounting officer with respect to the Code of Business Conduct and Ethics, the Company will post the amendment or a description of the waiver on the "Investors — Governance" section of the Company's website.

Committees of the Board of Directors

The Board of Directors has three committees: (1) Compensation, (2) Audit and (3) Nominations and Corporate Governance. The Board of Directors has adopted a written charter for each of these committees. Such charters are posted on the “Investors — Governance” section of the Company’s website: <http://www.cwco.com>.

Compensation Committee

The Compensation Committee consists of Messrs. Butler, Ebanks, Finlay, Flowers and Whittaker. The Compensation Committee held three meetings during 2018.

The Compensation Committee is responsible for developing, reviewing and approving the executive compensation program for the Company and its subsidiaries; assessing executive performance; making grants of salary and annual incentive compensation; approving certain employment agreements; and reviewing and consulting with the Company’s management regarding the executive compensation disclosure (and previously the Compensation Discussion and Analysis) that is included in the Company’s proxy statement for each annual meeting. The Board of Directors has adopted a written charter for the Compensation Committee. The Board of Directors has determined that all members of the Compensation Committee are “independent directors,” as such term is defined under the applicable rules of NASDAQ.

Audit Committee

The Audit Committee consists of Messrs. Finlay, Pergande, Sokolow and Whittaker. The Audit Committee held four meetings during 2018.

The Audit Committee assists the Board of Directors in monitoring the financial reporting process, the internal control structure and management’s testing of such control structure, the independent registered public accountants and the approval of outside consulting services pertaining to the financial and internal control functions of the Company. Its primary duties are to serve as an independent and objective party to monitor the Company’s financial process and internal control system, to select and determine the remuneration of the Company’s independent accountants, to review and appraise the audit effort of the independent accountants and to provide an open avenue of communications among the independent accountants, financial consultants, financial and senior management and the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, and the Audit Committee reviews and reassesses the adequacy of its charter every three years, unless changes in circumstances or regulatory requirements necessitate assessment on a more frequent basis. During the year, the Board of Directors examined the composition of the Audit Committee in light of NASDAQ’s corporate governance rules and the regulations promulgated by the United States Securities and Exchange Commission (the

“SEC”) applicable to audit committees. Based upon this examination, the Board of Directors has determined that all members of the Audit Committee are “independent directors” within the meaning of applicable rules and regulations of NASDAQ and the SEC. The Board of Directors has also determined that Mr. Sokolow qualifies as an “audit committee financial expert” as defined under applicable rules and regulations of NASDAQ and the SEC.

Nominations and Corporate Governance Committee

The Nominations and Corporate Governance Committee consists of Messrs. Butler, Ebanks, Pergande and Sokolow. The Nominations and Corporate Governance Committee held three meetings during 2018.

The Nominations and Corporate Governance Committee makes recommendations to the Board of Directors regarding the size and composition of the Board of Directors and the qualifications of the members of the Board of Directors, establishes procedures for the nomination process, recommends candidates for election to the Board of Directors and nominates officers for election by the Board of Directors. The Board of Directors has determined that all members of the Nominations and Corporate Governance Committee are “independent directors,” as such term is defined under applicable rules of NASDAQ. The criteria for the Nominations and Corporate Governance Committee to recommend nominees for membership on the Board of Directors is contained in the “Consolidated Water Co. Ltd. Corporate Governance Guidelines,” whereby candidates should possess certain minimum qualifications for Board membership, including strong personal values and discipline, high ethical standards, a commitment to full participation on the Board of Directors and its committees and relevant career experience, and whereby diversity of thought, experience, gender and ethnicity shall be considered a priority in any such recommendations.

To recommend a prospective nominee for the Nominations and Corporate Governance Committee’s consideration, a shareholder may submit the candidate’s name and qualifications in writing to the Secretary of the Company, Consolidated Water Co. Ltd., Regatta Office Park, Windward Three, 4th Floor, West Bay Road, P.O. Box 1114, Grand Cayman, KY1-1102, Cayman Islands.

- Regularly forward any letter that deals with the function of the Board of Directors or any committees of the Board of Directors (or any matter otherwise appropriate for Board attention) to the director or directors to whom it is addressed;
- Attempt to handle the inquiry directly if it relates to routine or ministerial matters, including requests for information about the Company and stock-related matters;
- Based upon the advice of appropriate legal counsel, not forward the letter if it relates to an improper or irrelevant topic; or
- At each meeting of the Board of Directors, present a summary of all letters received since the last meeting that were not forwarded to the Board of Directors and make those letters available to the Board of Directors upon request.

Audit Committee Report

The Audit Committee submits the following report for 2018:

The Committee has reviewed and discussed with both management and the independent registered public accountants (the “independent auditors”) the audited consolidated financial statements of the Company as of and for the year ended December 31, 2018. The Committee’s review included discussion with the independent auditors of matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*.

The Committee has received the written disclosures and the letter from the independent auditors required by the Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, and has discussed with the independent auditors matters relating to their independence.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2018, for filing with the SEC.

PROPOSAL 2

Advisory Vote on Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2011 (the “Dodd-Frank Act”) requires companies that are subject to the SEC’s proxy rules and regulations to hold a shareholder vote to approve, on an advisory (non-binding) basis, the compensation of their Named Executive Officers as disclosed in their proxy statements in accordance with the SEC’s rules.

As described in detail under the heading “Executive Compensation,” our executive compensation programs are designed to attract, motivate and retain our Named Executive Officers, who are critical to our success. Under these programs, our Named Executive Officers are rewarded for the achievement of specific annual, and long-term strategic and corporate goals. Please read the “Executive Compensation” section included in this Proxy Statement for additional details about our executive compensation programs, including information relating to the fiscal year 2018 compensation of our Named Executive Officers.

The Compensation Committee continually reviews the compensation programs for our Named Executive Officers to ensure they achieve the desired goals of aligning our executive compensation structure with our shareholders’ interests and current market practices. The Compensation Committee believes the Company’s executive compensation programs have been effective at incentivizing the achievement of financial performance and returns to shareholders.

We are asking our shareholders to indicate their support for our Named Executive Officers’ compensation as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives our shareholders the opportunity to express their views on our Named Executive Officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we will ask our shareholders to vote “FOR” the following resolution at the Annual General Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company’s Proxy Statement for the 2019 Annual General Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the 2018 Summary Compensation Table and the other related tables and disclosure.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders, and to the extent that there is any significant vote against the Named Executive Officers’ compensation as disclosed in this Proxy Statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns. In addition to the advisory vote on executive compensation, we are committed to ongoing engagement with our shareholders on executive compensation and corporate governance issues.

At the 2018 Annual General Meeting of Shareholders, approximately 96% of the votes cast on the advisory vote on the executive compensation proposal were cast in favor of our Named Executive Officers’ compensation as disclosed in the proxy statement for last year’s meeting. Our Board of Directors and the Compensation Committee reviewed these final vote results and determined that, given the level of support, the Company should maintain the components of our compensation program.

We have determined that our shareholders should vote on a say-on-pay proposal each year, consistent with the preference expressed by our shareholders at the 2017 Annual General Meeting of Shareholders.

The approval of holders of at least a majority of the Shares cast is required to approve this proposal. Abstentions and “broker non-votes” are not treated as votes cast and, therefore, will not affect the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC.

PROPOSAL 3

Ratification of the Selection of Independent Accountants

The Audit Committee has selected Marcum LLP to continue as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019, and to render other professional services as required, at the remuneration to be determined by the Audit Committee of the Board of Directors.

We are asking our shareholders to ratify the selection of Marcum LLP as our independent registered public accounting firm. Although ratification is not required by our Articles of Association or otherwise, the Board is submitting the selection of Marcum LLP to our shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice. In the event that our shareholders do not ratify the selection, it will be considered as a direction to the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of the holders of a majority of the Shares voted at the Annual General Meeting is necessary to ratify the selection of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019.

Assuming our Named Executive Officers' employment agreements were terminated on December 31, 2018, due to the Named Executive Officer's inability to discharge his duties due to physical or mental illness for a period of more than 60 days, the compensation due to our Named Executive Officers would be as set forth in the following table.

Named Executive Officer	Salary (\$)	Medical Insurance (\$)	Pension Fund Contribution (\$)	Total Compensation (\$)
Frederick W. McTaggart ⁽¹⁾	2,000	56,686	—	56,686
David W. Sasnett ⁽²⁾	1,000	25,365	—	25,365
John B. Tonner ⁽³⁾	2,000	72,876	—	72,876

- (1) In the case of our Chief Executive Officer, we will pay him \$1,000 per year and provide medical insurance for him and his family for a period of two years.
- (2) In the case of our Chief Financial Officer, we will pay him \$1,000 per year and provide medical insurance for him and his family for a period of one year.
- (3) In the case of our Chief Commercial Officer, we will pay him \$1,000 per year and provide medical insurance for him and his family for a period of two years.

If our Chief Financial Officer terminates his employment agreement or if we terminate his employment agreement due to his commission of an act or omission that could result in material harm to us or conduct justifying dismissal under Cayman Islands law, he will forfeit all unvested shares issued pursuant to his employment agreement. If his employment agreement is otherwise terminated or upon a “Change in Control,” as defined below, all unvested shares issued pursuant to his employment agreement will vest immediately.

Severance

Upon termination of employment, our Chief Executive Officer and Chief Financial Officer are entitled to receive severance payments under their employment agreements. Our Chief Executive Officer’s and Chief Financial Officer’s employment agreements provide for a lump sum severance payment equal to 24 months and 12 months, respectively, of their then current respective base salaries if their employment agreements are not renewed. The Committee negotiated these severance packages to provide them with an amount equal to their base salary for the length of their non-competition arrangements with us. The following table sets forth the total amount of severance payments that would be made to Messrs. McTaggart and Sasnett if their employment agreements were terminated without cause as of December 31, 2018:

Name	Severance (\$)
Frederick W. McTaggart	1,404,075
David W. Sasnett	684,000

Change in Control

Upon a “Change in Control,” as defined below, our Chief Financial Officer and our Chief Commercial Officer may elect to terminate their employment and receive a lump sum payment based upon their then current base salary. In determining whether to approve and setting the terms of such Change in Control arrangements, the Committee recognizes the importance to us and our shareholders of avoiding the distraction and loss of key management personnel that may occur in connection with rumored or actual fundamental corporate changes. A properly arranged Change in Control provision protects shareholder interests by enhancing employee focus during rumored or actual Change in Control activity through:

- Incentives to remain with us despite uncertainties while a transaction is under consideration or pending; and
- Assurance of compensation for terminated employees after a Change in Control.

Our Chief Financial Officer’s employment agreement provides that, at his election, he may terminate his employment upon a Change in Control and receive a payment of 36 months of his then current base salary. Our Chief Commercial Officer’s employment agreement provides that, at his election, he may terminate his employment upon a Change in Control and receive a payment of 12 months of his then current base salary. After reviewing the practices of companies represented in the compensation data we obtained, we believe that our Chief Financial Officer’s and our Chief Commercial Officer’s Change in Control arrangements are generally in line with such arrangements offered to chief financial officers and chief commercial officers of comparable companies.

For the purposes of this discussion, a “Change in Control” occurs when: (i) any person, including a “group” as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, publicly announces that such person or group has become the beneficial owner of more than 30% of the combined voting power (“Controlling Voting Power”) of our then outstanding securities that may be cast for the election of directors and (ii) the persons who were our directors before such event shall cease to constitute a majority of our Board of Directors, or any successor, as the direct or indirect result of any person or group acquiring Controlling Voting Power.

The following table sets forth the total amount of change in control payments that would be made to Mr. Sasnett and Mr. Tonner if their employment agreements were terminated upon a “Change in Control” as of December 31, 2018:

Name	Change in Control (\$)
David W. Sasnett	1,026,000
John B. Tonner	312,025

In addition, under the non-executive directors share grant plan, each director receives Ordinary Shares worth the share equivalent of \$5,000 for each quarterly Board of Directors meeting and \$1,500 for each Committee meeting. Section 16(a) Beneficial Ownership Reporting Compliance

We are required to identify each person who was an officer, director or beneficial owner of more than 10% of our registered equity securities during our most recent fiscal year and who failed to file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). To our knowledge, based solely on review of these filings and written representations from the certain reporting persons, we believe that during the fiscal year ended December 31, 2018, our officers, directors and significant stockholders have timely filed the appropriate form under Section 16(a) of the Exchange Act, other than one late Form 3 filed by Linda Beidler-D’Aguilar.

Transactions with Related Persons

The Company has a written policy regarding the review, approval or ratification of related person transactions. A related person transaction for the purposes of the policy is a transaction between the Company and one of the Company’s directors or nominees for director, executive officers, 5% shareholders, or a member of one of these persons’ immediate family, in which such person has a direct or indirect material interest and involves more than \$120,000. Under this policy, related person transactions are prohibited unless the Audit Committee has determined in advance that the transaction is in the best interests of the Company.
